Ⓐ Crossing to the market and park, no crosswalk

social services | playground | park path with shade | local market | protected walkway along busy road | senior home | park and cafe | quiet and safe walkways through blocks | high school | memorial park pathway | memorial statue

Road crossing with no crosswalk

Sidewalk beside road

Dedicated walking path

The main places are close enough to walk between, but the route is broken into pieces. Each break is a road with no crosswalk, so the good paths never join up.
